THIS AGREEMENT, made this 3rd day of November, 1955, by and between the WABASH RAILROAD COMPANY, party of the first part, hereinafter called the carrier*, and

Robert Head (Shipper's name)

part 1 of the second part, hereinafter called the shipper;

WHEREAS, The classifications and tariffs under which this agreement is made require that, for the purpose of applying the lawful rate of freight, the shipper must declare the shipment to be "Ordinary Live Stock," specifying the kind or kinds of animals, or if not "Ordinary Live Stock" he must declare the kind and value of each animal, space for such declaration being provided below:

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That the carrier has received from the shipper, subject to the classifications and tariffs in effect on the date of issue of this agreement, the live stock described below, in apparent good order, except as noted, consigned and destined as indicated below, which the carrier agrees to carry to its usual place of delivery at said destination, if on its road or on its own water line, otherwise to deliver to another carrier on the route to said destination. ORDINARY LIVE STOCK

Ordinary live stock means all cattle, swine, sheep, goats, horses, and mules, except such as are chiefly valuable for breeding, racing, show purposes, or other special uses. On shipments of ordinary live stock no declaration of value shall be made by the shipper, nor shall any values be entered on this bill of lading.

I (We) declare the shipment covered by this bill of lading to be ordinary live stock.

OTHER THAN ORDINARY LIVE STOCK.

On shipments of live stock chiefly valuable for breeding, racing, show purposes, or other special uses, different rates of freight are in effect dependent on the valuation placed thereon by the shipper; which valuation may be the basic value as stated in the classification, at which the lowest freight rate applies, or it may be any higher valuation up to actual value, in which event the freight rate will be higher by the amount prescribed in the tariffs or classifications. Such declared or agreed values shall be entered in the column provided therefor in this bill of lading, and in no event shall the carrier be liable for any amount in excess of such valuation.

I (We) declare the shipment covered by this bill of lading to be other than ordinary live stock, and of the value herein declared, or agreed upon, and entered.

Shipper

NOTE—The shipper shall execute one of the above declarations. Upon refusal of a shipper of other than ordinary live stock to declare the values of said stock for entry in this bill of lading the shipment will not be accepted for transportation under this contract. In the event the shipment consists of both ordinary live stock and other than ordinary live stock, both of such declarations shall be executed, but values shall be declared and entered on only the other than ordinary live stock.
