

Building List

The following lists of Buildings and Details is keyed to the general drawings. The numbers on the left correspond to the numbers in the drawing. Since this is a keyed drawing all of the buildings or details were not present at the same time, but the drawing does show the relative of each detail to each of the others. The time frame has been determined from photos as well as other sources, and may not be precise. Existence of plans is noted under plans.

<u>No.</u>	<u>Building</u>	<u>Dates</u>	<u>Notes</u>	<u>Plans</u>
1b.	Depot	1906 - 1937		None
1a.	Depot	1937 - 1940	RR Car	RB partial
