

Warbonnet Red on Models

By Steve Sandifer

Warbonnet Red on Models

The above photo compares the red used on some HO locomotives with a Santa Fe color control chip "Indian Red."

On the left, back to front: Proto 1000 DL-109, Proto 2000 PA, Proto 2000 E8. On the right, back to front, Stewart F-7, Athearn Genesis F-3, Broadway Limited F-7, and on top Intermountain F-7.
